CODEX

There are no boundaries or borders in the digital age. You don't need armaments to take over the world. All you need is a QWERTY keyboard.

Showcase your techie brain and utilize it to prove yourself as the sovereign of the digital world.

Do you have what it takes to supervise cyberspace?

GUIDELINES

- Codex is an online solo event.
- Maximum number of teams per school: 2
- Participants are expected to have the basic programming and web designing knowledge preferably (Java or C++ and HTML or Java Script)
